

## **Eco-Fest 2025 @ SAFRA Jurong**

### **Hyundai Motor Group Innovation Center Singapore (HMGICS) Discovery Tour**

Hyundai Motor Group Innovation Center Singapore (HMGICS) is the first global open innovation center of Hyundai Motor Group, providing diverse experiences to realize an eco-conscious and innovative vision.

Go on a journey of discovery and exploration with us on this guided tour.

The Discovery tour consists of these segments:

1. Introduction to HMGICS
2. Smart Farms - Enhancing food security and self-sustainability
  - Allow participants to understand that modern-day farming methods utilizing technology can be highly effective in a land-scarce country like Singapore
  - Participants are allowed to pick and harvest a choice of the preferred greens and take it home
3. Tasting Session - Savour a selection of freshly harvested greens
4. Factory Virtual Reality Tour<sup>#</sup> - Learn about highly modular and automated production to meet diverse needs
5. Skytrack Experience\* - Enjoy a thrilling ride with a vast view of the skies
  - Participants will be taken on a ride with the latest IONIQ 5 EV on the only rooftop driving track in Singapore, allowing you to experience thrilling driving dynamics, fast turns around corners, unbelievable comfort and unparalleled stability of driving in an EV
6. IONIQ Lounge – Participants get to purchase IONIQ related merchandise or customize your own IONIQ vehicle with purchase.

<sup>#</sup> Factory Virtual Reality Tour:

- For children under the age of 13, parental consent is required before participating in the VR experience.
- For safety reasons, participants who are unwell or young children are advised not to take part in the VR factory tour due to the highly immersive nature of VR environments.

\*The Skytrack Experience:

- In the case of rain or if the ground is not completely dry, the Skytrack experience will be cancelled.
- The maximum capacity for the Sky track experience is 3 people, your group may be split up for the experience.
- Participants will need to have a minimum age requirement of 5 years old
- Participants under 135cm cannot take part in the Skytrack experience.
